

MOUNT AIRY POKER ROOM HOUSE RULES:

1. All players are to be true to their table stakes, no transferring money.
2. No racks allowed at the poker table all chips must stay in play at all times. A player may not bet, raise, or call from a rack.
3. Seating & table change request will be done through floor personnel or above.
4. Players are responsible for protecting their own hand. There will be no redress to money in the pot if an unprotected hand becomes mucked.
5. Cards speak for themselves. If the pot has been rewarded mistakenly, it will be corrected immediately to the proper player by management only.
6. A player must buy in or re-buy for at least the minimum amount required for that specific game.
7. Any chips crossing the betting line will become part of the pot. Any cards thrown face down towards the pile of discarded cards or over the line will not be retrievable, this will be considered a fold and the dealer will muck the cards.
8. The dealer may only give information about the hand when the action is facing that player.
9. Verbal declarations if done in turn are binding.
10. Only one player per hand.
11. English only at the poker table while cards are in play.
12. Check and raise is allowed.
13. String bets are not allowed.
14. All cards must remain in full view of the dealer at all times.
15. Cell phones are permitted at the poker table. No food or tobacco use (including chewing tobacco) will be allowed at the poker table.
16. A seat will be saved for a player for up to thirty (30) minutes.
17. A player acting out of turn may be responsible for that bet or raise, if the action has not changed in front of them.
18. Any player may not speak about the hand while the hand is in play.
19. A player who depletes his/her funds will be considered all-in.
20. A player must be seated in his/her seat prior to the delivery of the first card in order to receive cards.
21. Mt. Airy does NOT operate under the "no flop no drop" policy.
22. A percentage rake will not exceed 10% of the pot up to \$5.
23. No rabbit hunting allowed.
